

Immaculate High School

21st Annual Immaculate High School Golf Tournament Wednesday, September 29, 2010 *Richter Park*

Dear Immaculate Family & Friends,

We are pleased to announce that the 21st Annual Immaculate High School Golf Tournament will be held at Richter Park on Wednesday, September 29, 2010 with a 1:00 pm shotgun start. Richter Park, a nationally recognized golf course, also features the popular Café on the Green, where the event dinner will take place. Additionally, **Richter has also generously hosted the Mustang Golf Team every spring for more than 30 years!**

This tournament is an essential fundraising event for the school. **All proceeds will help benefit the Immaculate Athletics budget**, which continues to provide its student-athletes with more than 25 competitive sports programs. Through the organizational efforts of the M.A.S.C. (Mustang All Sports Club) and school staff support, we anticipate this year's tournament to provide even more benefits than in years past.

We are asking for your assistance in making this Tournament a huge success. Whether you decide to participate by "teeing up" for the day, becoming a sponsor or volunteering your time; Immaculate needs your support!

Enclosed you will find registration and sponsorship forms. If you are interested in volunteering your time, feel free to contact me at your earliest convenience.

On behalf of the Athletic Department, M.A.S.C. and the student-athletes of Immaculate High School, we thank you for your continued support and wish you a relaxing and enjoyable summer.

Sincerely,

Michael C. Bierwirth, '93
Director of Athletics
