Parental Override Of Course Prerequisite

Name of Student: _____

Course being requested: _____

I am aware that my **Request for Reconsideration of the Prerequisite** for the above course has not been approved. However, I would still like my student to be placed in the course.

I am aware of the following school policy regarding withdrawal from academic courses:

“A student may drop a course within the first two weeks of the course without penalty. After the first two weeks of the course the student transcript reflects a withdrawal (W). After four weeks of the course, the student transcript reflects a withdrawal failure (WF) and is factored into the student’s GPA.” **Immaculate High School Parent/Student Handbook**

I am also aware that the workload and pace of the class I’m requesting may prove difficult for my student and that he/she needs to commit to seeking extra help and seeking additional resources such as the Academic Support Program or peer tutoring if necessary. I am also willing to provide private tutoring if necessary.
