Dear Friends of Immaculate High School,

Allow me to extend my warm greetings to each of you as you virtually celebrate *Light the Way*. In a year that has been like no other, it is a tribute to the strength of the Immaculate Family to be blessed with such unyielding support for this very special event.

My thanks as well to the Chairs of the Gala Committee who worked tirelessly to bring this evening to you virtually.

As we remember with gratitude the countless men and women who have passed through the halls of Immaculate High School, we look forward to welcoming all those who will come to us in future years. Tonight, is also a celebration of the academic excellence of Immaculate High School as we seek to impart the light of knowledge, truth, and virtue to our students.

Let us together ask the intercession of the Blessed Virgin Mary, immaculately conceived, for one another and for all the members of the Immaculate High School community, past, present, and still to come.

Sincerely yours in Christ,

Most Reverend Frank J. Caggiano  
Bishop of Bridgeport

Dear Friends of Immaculate,

Welcome to our Light the Way Gala! Tonight, we celebrate our thriving school community, generous supporters of Catholic education and the future of Immaculate. This is a special night when we recognize Nancy K. Dolan Leadership Award honoree, Brian McGovern and Distinguished Service Award honoree, John Capilli. These awards represent our deepest gratitude for their extraordinary altruistic efforts and commitments on behalf of Immaculate High School students.

As Chairman of the Immaculate School Advisory Board's Alumni Committee, Brian McGovern '89 was instrumental in creating an alumni database and reconnecting alumni with each other and with Immaculate by establishing our Alumni Association. In addition, Brian assisted with improving the school's implementation of technology in the classroom. With a diverse background in executive leadership and numerous awards, Brian is the General Manager at Mitrtech has been honored for outstanding performance and holds two United States patents. It is without a doubt that his leadership and his commitment emulate the core values embodied by one of the most respected advocates of Immaculate High School, Nancy K. Dolan.

John Capilli, parent of Cara '14 and Johnny '17 is a member of the School Advisory Board and the Annual Golf Outing planning committee. In addition to his voluntary service, he has generously sponsored numerous fundraising programs for athletics, the tuition assistance programs, Annual Golf Outing and Annual Gala. A visionary, John has always been proactive with assisting in creating and implementing purposeful plans for the benefit of all students. His humble demeanor, keen insights, generosity, positive energy and charitable service are some of the many reasons that we honor John with the Distinguished Service Award.

This evening is one of lighting the way for the future of Immaculate. The funds raised tonight will provide the resources needed to help our students continue to grow as learners and aspiring leaders. The immeasurable support and dedication of our founders, alumni, parents, pastors, Advisory Board, faculty, staff, administration, partner schools and benefactors have been and continue to be the reason why Immaculate High School ranks among the top ten Catholic schools in the State of Connecticut.

I hope that you have an enjoyable time at our Light the Way Gala celebration. A special sincere thanks to Event Coordinator, Sally Wilson, our hard-working Gala Committee chairpersons, the IHS Advancement Team and the outstanding dedicated parent and student volunteers for their many hours of planning and their remarkable, energetic spirit.

We are a blessed community,

Mary R. Maloney  
President

**BRIAN P. MCGOVERN '89**  
NANCY K. DOLAN LEADERSHIP
